
Imperx Materials Compliance Policy

1. Conflict Minerals Policy

IMPERX condemns the ongoing conflict and resulting humanitarian disaster in the Democratic Republic of the Congo, which is financed in part by trade in the ores from which tin, tantalum, tungsten, and gold (3TG) are derived. IMPERX is committed to contributing to the elimination from our products of 3TG that supports armed groups in the DRC or in the surrounding countries and the resulting human rights abuses that they perpetuate.
